Re: Recommendation for Mediation Services In Behalf of Chaim Steinberger

Dear Sir/Madam:

The purpose of my writing is to respectfully extend my request and recommendation that you consider Chaim Steinberger, Esq., to serve as a professional mediator for your Family Law matter. I had the pleasure and great benefit of having Mr. Steinberger provide his valuable knowledge, expertise and service as a mediator for my client and his spouse in a divorce matter, and highly recommend his professional services to other firms and Courts.

In my client's particular divorce case, the Court referred the parties and counsel to meet with Mr. Steinberger after several unsuccessful attempts at negotiating a settlement, with the purpose of hopefully avoiding further litigation. During the mediation session with Mr. Steinberger, I observed him to be thoughtful and purposeful in his duties, and he exuded confidence in his abilities. Mr. Steinberger was also very patient with each party and empathized with their separate positions and feelings that they each experienced during their difficult separation from each other. With Mr. Steinberger's professional assistance, the parties came to a better understanding of each other, which improved the nature and quality of their post-separation relationship, and set the tone for a final settlement in their divorce matter. Based on my professional experience with Mr. Steinberger, he has demonstrated to me that has the knowledge, understanding and insight into servicing clients, and the expectations of his role as a mediator. As a result of Mr. Steinberger's outstanding personal and professional qualities, I whole-heartedly recommend him for your consideration as a mediator for your Family Law matter.

Sincerely,

Dimitri Maisonet, Esq.
